

Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

“To accelerate the transition towards a more sustainable world through the creation of knowledge and human capacity. To be a globally recognized deemed University in the sphere of sustainability studies” states the Vision of TERI SAS.

The importance of reaching out to the wider world was recognised, to further the vision. To that effect faculty members were encouraged to engage in outreach activities and document their efforts on the website. <https://terisas.ac.in/events.php> deposits all such endeavors. Some examples follow:

Details of the event	<a href="#">Link</a>
