- 4) Dr Seema Sangita
- 5) Dr Shruti Rana
- 6) Dr Sapan Thapar

Discussion Points

- 1) The Convener-IIC apprised the Council Members on the activities organized during the semester
 - a. Orientation of new batch of students on IIC-EDC activities
 - b. Expert sessions on blockchain, wellness and energy transition
 - c. Training of faculty members as innovation brand ambassadors under MHRD Scheme
 - d. Sharing of communication as received from MHRD with students and faculty on a continual basis
 - e. Encouraging student coordinators under IIC on entrepreneurship

- 2) The Council Members informed the Council on recent work by students
 - a. Two student groups have been shortlisted in the EforA (Energy for Access) Challenge
 - b. Students from REEM have registered a company to use hydroponic based food production helping circumvent the energy-food-water nexus

- 3) The Council Members suggested the following
 - a. Organize design competitions among TSAS students
 - b. Reach out to MHRD for soliciting funding support under its schemes
 - c. LLM faculty & students can guide budding entrepreneurs on company law/ registration
 - d. Encourage students to pursue their ideas/ ventures as part of their final semester industry training as part of academic curriculum

- 4) Members suggested to harness the expertise/ experience of TSAS alumni towards delivering thematic seminars, conducting competitions to germinate new ideas as well as mentoring students to promote innovative ideas.
