Discussions/ Proceedings

1. The Convener apprised student members about the objectives of IIC and highlighted key activities conducted during the last few years
 - How IIC supports innovation, entrepreneurship
 - Collaboration among students, faculty, and startups
2. Members Brainstormed potential activities that the IIC can organize, such as
 - Workshops, hackathons, ideation sessions, pitch competitions, mentorship programs, and networking events.
3. The Convener emphasized importance of fostering a culture of innovation and creativity within the University
4. Student members suggested to create awareness amongst TERI SAS students about IIC
 - By encouraging students to share innovative ideas, projects, or research initiatives they are working on or interested in pursuing
 - Expert talks, panel discussions featuring industry professionals, academics, and entrepreneurs to share insights and inspire innovation.
 - Organize 2 sessions within the current semester – can focus on business sustainability, cleantech, environment, biotech, law, etc.
 - Members suggested to establish a social media presence for the IIC to reach a wider audience
