

Name: Shakti Khera

Research Group & Mentor: Plant Molecular Breeding laboratory; Dr Shashi Bhushan Tripathi

Co-Supervisor: Dr. Rakesh Bhardwaj; Division of Germplasm Evaluation, ICAR NBPGR, New Delhi

Research Work /project:

NIRS based prediction modelling for biochemical traits related to malting in barley

Fellowship Holder/Designation: Wos(A) scientist

Additional Information:

Research Publications:

Biochemical and Agro-Morphological Traits-Based Mining for Malt Barley Germplasm.
