**Evaluation criteria**

- Test 1 : 40%
- Test 2:40%
- Test 3: 20%

The evaluation policy is designed to verify the knowledge acquired by students during the course. Evaluation will be based on the practical knowledge gained to convert a social idea into a business reality. Each student has to work on a Business Plan. Students will be individually mentored for their presentations. The entire business model canvas will be converted into Why, What and How -- the three most strategic components of a successful business plan.

•**Test 1:** Value Proposition Design and Business Model Canvas: 40% weightage.

These are the 2 most fundamental tools to test the sustainability of any business idea. The parameters on which the evaluation will be done are (1) successful completion of the chart (2) on whether the canvases are based on a proper discovery of the real world or not and (3) clarity on each component (At the end of module 2)

• **Test 2:** A Business Plan Presentation: 40% weightage.

This evaluation is based on the following parameters -- (1) Description of the Entrepreneur's Personal Journey (2) Clear articulation of Vision and Mission (3) Marketing Strategies (4) Clear Articulation of Innovation (5) Cost versus Revenue Analysis (At the end of Module 5)

•**Test 3:** Class Room Participation: 20% weightage. This will be evaluated based on discussions and co-creation of knowledge, giving peer feedbacks, and self-reflection. (Throughout the course)

All Business Plan presentations will be evaluated by successful social entrepreneurs. Students will get real feedback from practitioners.

**Learning Outcomes:**
